catalog 2025

get inspired

With great pride, we present our new catalog, packed with fresh designs alongside our timeless collection of playmats, artificial grass, and rugs. A special shout-out to our production team, who make it all possible—crafting custom rugs to suit your needs, right here in-house.

Because we handle production ourselves, we can always collaborate with you on sizing requirements and minimum order quantities. Enjoy exploring!

Best regards,

Rob and Mariët Mateboer

Play Rugs

A Childhood Classic

Who doesn't remember them? Playmats are a timeless favorite in every child's room or play corner. Soft, colorful, and packed with imagination, they brighten up any space and inspire endless play. With roads and patterns designed for real adventures, they're not just mats—they're the foundation of countless childhood memories.

Vinyl

Our vinyl collection features two distinct styles: one with soft, pastel-colored prints and another with more vibrant, bold colors. Vinyl offers the advantage of being incredibly easy to clean, making it an ideal choice for those who prioritize hygiene.

Whether you're looking for subtle tones or eye-catching colors, our vinyl selection has something to suit every taste.

Meine Spielmatte®

Meine
SPIELMATTE

Two years ago, we launched an exciting concept: Meine Spielmatte, a unique line of playmats featuring highlights from numerous cities! Each mat captures iconic landmarks, bringing the spirit of the city into playtime.

How amazing is that?!

This collection has already been introduced in the Netherlands and Germany, and we can develop custom designs for other countries or cities as well. Meine Spielmatte transforms any space into a playful journey through the sights of a beloved city.

Meine Spielmatte

Artificial Grass

We offer a wide selection of artificial grass, maintained in ample stock and available year-round for various applications—from gardens to schoolyards and playgrounds. We also supply pre-cut artificial grass for DIY shops, making it easy for customers to find the perfect fit. Whatever the project, we're here to help and happy to advise on any artificial grass inquiries.
